NATHAN DOING

Good afternoon and welcome to the 4th Step Celebrity Showcase. I'm your moderator Nathan Doing. Today our panel of recovering alcoholics who happen to be celebrities will share their experience, strength and hope working the 4th step. We will cover resentments, fears, and sex. So without any further ado, let's meet our panelists! First from the planet Tatooine the savior of the galaxy who brought balance to the force, here's Luke Skywalker! *(Star Wars Theme plays—Luke enters)*

Next, Linus's best friend, Lucy's psychiatric patient and Snoopy's meal ticket, give it up for good ol' Charlie Brown! *(Peanuts theme plays Charlie Brown enters)*

Next, let's give a big Suisun City welcome to everyone's favorite matron from Mayberry, from The Andy Griffith Show, Aunt Bee! *(Andy Griffith Theme Plays—Aunt Bee enters)*

Finally, with a career that goes from the movie "Platoon" to the TV Show "Two and a Half Men" and then to freaky rants on talk shows, Mr. Charlie Sheen! *(Highway to Hell plays, Sheen enters)*

Okay, so here is how it's going down: I will present the topic and all who want to share on it will. So let's start with the number one offender.

CHARLIE SHEEN

Hey loser! I got probation for that, so let's watch it with the name-calling, buddy!

NATHAN DOING

Oh, no, by “number one offender” I meant resentment, Mr. Sheen, not you.

CHARLIE SHEEN

Oh, sorry dude. You can call me Charlie by the way. Mr. Sheen is my dad, Martin.

NATHAN DOING

Well, the only reason I called you Mr. Sheen and not Charlie is so we don't get you and Charlie Brown confused.

CHARLIE SHEEN

You think anyone could ever confuse a totally bitchin' rock star from Mars like moi with this round-headed loser? No way because I'm “winning!”

CHARLIE BROWN

Uh, that lame “winning” catchphrase is so old now.

CHARLIE SHEEN

Gimme a break! You've been saying “Good Grief!” for sixty years! And howze about changing your shirt once in a while? That one reeks!

NATHAN DOING

Mr. Sheen! Charlie Brown! Please! When I said we were going to start with resentments I didn't mean we were going to demonstrate them or cause new ones. We're here to talk about how we dealt with them in our 4th steps. Now how about you, Luke?

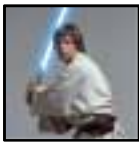

LUKE SKYWALKER

Well, my sponsor Yoda had me follow the example in the Big Book on page 64. So I made the different columns and here's one. I am resentful at Darth Vader because he killed my father and it affects my social relations.

CHARLIE SHEEN

Dude, what are you talkin' about? Vader didn't kill your father, he IS your father! Plus he's got that totally kick-ass James Earl Jones voice: "Luke I am your father." It's all in "The Empire Strikes Back!"

LUKE SKYWALKER

Well that explains it. I filmed that in a blackout. I can't count how many times after drinking all night at the Mos Eisley Spaceport Cantina I woke up the next morning naked next to an Imperial Stormtrooper or Wookiee.

NATHAN DOING

Yikes. So let's follow up on the resentment you had, Luke, what was your part in it?

LUKE SKYWALKER

Well, I guess my part in is that I let anger over that seduce me into being tempted to join the Dark Side of the force.

CHARLIE BROWN

I was tempted to join the Dark Side too, mainly because I saw how good that black they wear looked on our local Sith Lord, Lucy.

NATHAN DOING

Aunt Bee, would you like to share a resentment you may have had?

AUNT BEE

Oh, heavens no. I keep much too busy cleaning and cooking to harbor resentments.

CHARLIE SHEEN

Yeah, well, that sounds good Sweet Polly Purebread, but I ain't buyin' it. I mean, you're an alkie so you musta been hittin' that cooking sherry pretty hard and anyone who does that has definitely got resentments.

AUNT BEE

Well, now that you mention it, Mr. Sheen I do. I'm resentful at Barney Fife because he made me watch your stinky movie "Navy Seals" and that's two hours out of my life I'm never gonna get back.

NATHAN DOING

What did that affect, Aunt Bee? Your social relationship, your self-esteem, what?

AUNT BEE

It affected my stomach because it made me sick! Not only could those pathetic Navy Seals in the movie have not killed killed Osama bin Laden, they couldn't have even killed Ronald McDonald!

CHARLIE SHEEN

Hey, check this out grandma...

AUNT BEE

I am not your grandma and just because I wear print dresses and make homemade apple pies for the Ladies' Auxiliary bake sale doesn't mean I won't kick you in the crotch if you get uppity, young man!

NATHAN DOING

Alright. Let's move on to the fears list please? Anyone like to share?

CHARLIE BROWN

I will. I talked to Lucy this morning and she promised that this afternoon when she holds the football for me she won't pull it away and make me fall and get another concussion, but I'm afraid she will.

CHARLIE SHEEN

Of course she will, dude! You are the dictionary definition of doing the same thing and expecting different results! Here's what you do; run like you're going to kick the ball and then when she yanks it away "accidentally" kick her in the spleen!

NATHAN DOING

Mr. Spleen! I mean, Sheen! Please don't advocate violence here! We are trying to work on our character defects and not add to them! Now, Charlie Brown that is a legitimate fear. Does anyone else have one? Aunt Bee?

AUNT BEE

No, no fears.

CHARLIE SHEEN

No resentments, no fears—what the heck are you even doing here? Just to bring lunch in that basket?

AUNT BEE

It's not lunch and actually I do have one fear—that there'll be a sequel to "Navy Seals."

CHARLIE SHEEN

I'm so tempted to risk a crotch kick but I actually have my own fear to share. I'm afraid that someone is going to figure out how to bottle and mass-produce my awesomeness and when it is unleashed upon the world it will blow minds from China to Chattanooga.

NATHAN DOING

Wow, I had the exact same fear, Mr. Sheen. I'd love to explore that but we are short on time so let's go right into the sex inventory.

CHARLIE SHEEN

All right! Now we're talkin'! Have I got a great story about some porn stars that I call goddesses! You see...

NATHAN DOING

Mr. Sheen! The sex inventory is not an opportunity just to tell lurid tales of your sex exploits! The idea is to put down on paper where we have been dishonest, inconsiderate, selfish and hurtful in your sex relations!

CHARLIE SHEEN

Oh. Well, in that case I think that ol' Luke the Jedi should be leadoff batter. In "Return of the Jedi" he and his twin sister Princess Leia shared a passionate kiss. I think he's got some 'splainin' to do.

LUKE SKYWALKER

Hey! That was before I knew she was my sister!

CHARLIE SHEEN

Whatever, dude. Tell it to Jerry Springer. All I know is that after you guys kissed it wasn't like in "Back to the Future" when Marty McFly's mom, as a teenager in the '50s, kissed him and said it was like kissing her brother. You enjoyed it, you lightsaber-slinging sicko!

NATHAN DOING

Mr. Sheen! Please let me remind you that when we do our 4th step we do *our own* and focus on *our own* behavior and not the behavior of others. But just for the record, Luke, that kiss did kinda creep me out too. So does anybody have something else to share pertaining to the sex inventory?

AUNT BEE

I do.

CHARLIE SHEEN

Oh, this should be classic. What did you do, Aunt Bee? Kiss a boy on the cheek in 3rd grade?

LUKE SKYWALKER

You know what, Sheen? You're overdue for a lightsaber colonoscopy!

NATHAN DOING

Fellas, please! Go ahead Aunt Bee.

AUNT BEE

Well in my sex inventory I mention that I was dishonest in my relationship with Floyd the Barber. You see, he gave me discounts on Andy and Opie's weekly haircuts if I...well...you know...was...with him.

CHARLIE SHEEN

Really? Whoa check it out! Aunt Bee is a straight-up freak!

NATHAN DOING

Mr. Sheen, shut up! Go ahead, Aunt Bee was there more?

AUNT BEE

Oh yes, much more I'm afraid. You see, I never really had any feelings for Floyd because in my mind it was strictly a business transaction, but he wanted to marry me. Then

when he found out that I was simultaneously having flings with Gomer, Goober and Otis the Town Drunk, he was so hurt.

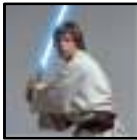

NATHAN DOING

Wow. Well, what about Gomer, Goober and Otis? Do they know about each other? I mean didn't you hurt them as well when they found out?

AUNT BEE

Well, no...I mean...you see...they were all...well...in the same room with me.

LUKE SKYWALKER

The Force is strong in this one!

CHARLIE SHEEN

Man, forget Hollywood! Mayberry is one swingin' town!

CHARLIE BROWN

Aunt Bee, I appreciate your honesty and I want you to know I don't judge you.

AUNT BEE

Thank you, Charlie Brown, that's very kind of you.

CHARLIE BROWN

Don't mention it. Um, in a totally unrelated matter, can I get your phone number?

CHARLIE SHEEN

Charlie Brown trying to hit on Aunt Bee! This trips me out more than when I was drinkin'!

NATHAN DOING

Wow. I hate to admit it, but me too. I can use a soda. Do you have a Pepsi Zero in your lunch basket, Aunt Bee?

AUNT BEE

Oh, like I said earlier there's no food in here, dear. When Floyd found about my adventures with Gomer, Goober, and Otis he was so angry he gave me back all of our sex toys.

NATHAN DOING

Okay Aunt Bee! My head's gonna explode! There are some things you want to share just with your sponsor! Well, that's all the time we have for today. Join us next week on The 4th Step Celebrity Showcase when our guests will be Mel Gibson, Beetle Bailey, Ru Paul and Elmo.

AUNT BEE

Oh, I should have come next week! Elmo and I had a fling once! Well, with Bert, Oscar, Big Bird and the Snuffleupagus joining in. It was so...

NATHAN DOING

Your sponsor, Aunt Bee, your sponsor!
